

A shopping cart with a green frame and silver metal mesh is filled with several brown paper grocery bags. The bags contain various fresh items: a head of green lettuce, a bunch of carrots, a loaf of baguette, and some fruit like apples and bananas. The background is a blurred outdoor setting.

# Who We Are?

Launched in 2024, Qwikto is a dedicated B2B platform transforming the food supply chain for hotels, restaurants, and cafes. Our platform simplifies procurement by providing businesses with everything they need—raw materials, ready-to-cook items, and kitchen essentials—all in one place.

With Qwikto, businesses can:

- Order in bulk at competitive prices to save costs and optimize operations.
- Enjoy a seamless ordering experience through our app and website.
- Rely on fast, hassle-free delivery, ensuring efficiency and convenience.

We're also committed to empowering vendors by connecting them with a growing network of trusted partners, creating a streamlined ecosystem that drives success for everyone involved. Based in Port Blair, Andaman & Nicobar Islands, we're redefining B2B solutions in the food sector—helping businesses simplify, save, and succeed.
